About Us

My Name is Alan Katz.

I am the presiding Officiant at Socialofficiant.com

I have been performing weddings for many years now and I love it.

My Associates and I perform Fun and Romantic Weddings that range from Traditional to Creative and Innovative.

Couples choose us because they don't want the same old dreary weddings they have seen over and over again.

We provide a fresh and fun approach to getting married, one in which people tell us it was the best wedding that they had ever been to.

Ceremonies after ceremony people come up to us and tell us what a wonderful ceremony it was.

The Couples tell us that it was even better that imagined.

The Themed Weddings that we have performed have become unforgettable events.

I am a member of the National Association of Wedding Ministers.

My Officiants and I are very professional and dependable. We return calls and emails promptly.

It is our goal to perform a wedding that meets your needs and to make your Wedding day how you dreamed it to be.

Together, we will design a wonderful Ceremony for your Special day.

Our Beliefs

We believe a Wedding ceremony is a significant event in the lives of two people to celebrate their love and unity and the beginning of a new life together.

We believe that the wedding day is uniquely yours and should focus on your love for each other.

Your ceremony should reflect YOUR religious or non-religious preferences and not the Officials.

We believe that the ceremony experience should NOT be one based in religious dogma, but should be spiritual, based in truth, uplifting, empowering and FUN.

We believe that the wedding ceremony experience should guide you into a lifetime of love, peace, happiness and joy with your spiritual mate!

It's YOUR Wedding.

It should be done the way YOU have always dreamed it would be.

Lets work together to accomplish this goal.
